Fiona Walker England is most renowned for her animal heads. She was one of the original felt head designers. It is a beautifully designed collection which continues to uphold exceptional quality, and values.

The collections enrich a room with fresh, imaginative designs that add a little fun without compromising on style. Beyond providing youthful personality to the home, Fiona Walker England not only wants to create great products but also aims to have credibility and give the brand the correct ethos. Fiona Walker uses ethical and traditional manufacturing methods to create uniquely hand crafted products, meaning no two items are the same. From bears and rabbits to tigers and elephants the range encompasses animal heads, hooks and decorative accessories with a variety of friendly animal faces, fun colours, and organic wool felt which can be as easily at home in a child's room or in a corporate office.

Fiona is dedicated to bringing lovely products that add fun and vibrancy to your home but most importantly to make a difference to the lives of the wonderful ladies who produce our collection.

BRING THE WILD BEAUTY of the African savanna into your space with our largest size safari-themed wall decorations. Perfect for adding an impressive focal point to give a touch of adventure and exotic charm to your home, office, or nursery. ABOUT US

Fiona Walker England is a beautifully designed collection of home decorations and accessories with exceptional quality and values. The Fiona Walker England collection enriches a room with fresh, imaginative designs that add a little fun without compromising on style. Beyond providing youthful personality to the home, Fiona Walker not only provides great products but also aims to have credibility and give the brand the correct ethos. Fiona Walker uses ethical and traditional manufacturing methods to make uniquely hand crafted products resulting in no two items being identical.

ETHOS

Having lovely products is great but we want our customers to have additional reasons to go home with one of our beautiful items. We need them to feel confident in their purchase. Its a team effort across continents that makes it work from creation to end product.

- Our products are hand-made under fair trade guidelines.
- All products are made from 100% organic wool.
- Our dyeing plant uses recycled water, so precious clean water is not taken away from the local community and the dye chemicals are not released into the eco system.
- Our manufacturing team has a predominantly female workforce. The ladies can be in the workshop or work from home, giving them greater flexibility to balance their income with their family's needs.
