BON TON TOYS MANIFESTO

Saving the planet.
Clearly the responsibility of
superheroes and caped crusaders.
Surely not of the people.
And definitely not of plush manufacturers.

Yet here we are.

Soft-toy producers on a mission.
A mission to bring children happiness,
protect their future
and educate them about
the world we're out to preserve.

Long before climate change was real,
and sustainability was even a word,
we were putting smiles on faces.
With premium plush animals,
made with the highest regard for nature.
It's the ways of our past that make us
fit to fight for our future.

Almost 90 years down the road,
we still do what we can.
And every day we strive to do more.
Because you don't need superpowers
to make a difference.

MIFFY THE X LABEL

You may have heard this before, but we are 90 years young! In 2023, we are celebrating 90 years of durable plush.

We're only two decades older than our beloved and very famous character, Miffy!

When it comes to our Miffy collection, we hope it always feels like visiting a candy store. She comes in so many wonderful different textures and colors, you can't get enough! We're certain her image and legacy will live on for generations of plush lovers.

And what better way to celebrate our 90th birthday than to add a few new beautiful bunnies to our Miffy candy store. We've created a new, classy and sassy collection to join our existing lovelies. Inspired by Miffy's little nose, we call this new Miffy collection
