## The Philosophy of Snoopy

Charles Schulz was able to provoke thought and discussion around topics covering everything from the nature of friendship to the struggles of growing up in his Peanut comic strip. This timeless quality allows the strip to remain relevant and engaging for generations of readers.

In this context we produced a classic collection of plush toys featuring beloved characters from the Peanuts comic strip.

## 1% is the least we can do

We're proud to say that from this year, we are a certified 1% For The Planet Member.

1% For The Planet is a global network of companies that pledge to donate at least 1% of their annual sales to environment organisations.

A percentage we tripled last year! We may not be Patagonia just yet, but we're proud to be doing our part.
